

The background of the poster features a large Ferris wheel on the left side, with its white structure and dark passenger cars. To the right, a city skyline is visible under a clear blue sky. The foreground is dominated by a large, semi-transparent blue shape that curves across the bottom and right sides, creating a modern, abstract design.

# Join us for the 10<sup>th</sup> anniversary edition of the International Symposium on the Diabetic Foot (ISDF 2027)

The International Symposium on the Diabetic Foot, held once every four years, is the largest and most prestigious meeting worldwide devoted to foot disease in diabetes.

It has accomplished this unique position by bringing together leading experts in the field and delegates from around the world to share and discuss new knowledge, developments and products, and provide a stimulating learning environment through cutting-edge research presentations, keynote lectures, practical workshops, and specialty symposia.

## Important dates

### Abstract submission opens:

August 2026

### Registration opens:

November 2026

### Abstract submission deadline:

15 December 2026

### Abstract notification:

12 February 2027

### Early registration deadline:

1 March 2027

**Submit your abstract and register at [isdf.nl](http://isdf.nl)**

## Join our team of sponsors and exhibitors

Our exhibition will once again welcome professionals and top industry leaders committed to advancing diagnostics, treatments, and rehabilitation in diabetic foot care. This symposium offers a vital platform for knowledge exchange and networking within the field. Ensure your participation and secure the best spots by booking early.

Don't miss this opportunity to connect with leaders and innovators in the field at this unique "must-attend" event. Please contact us for more details on sponsorship levels and entitlements.
